Judy Jacobs

Judy was the most loving, caring, fun, supportive Mom, Grandma, Sister, Aunt, and Friend. She loved our community and truly loved serving as a Legislator. She dedicated her life to making a difference for those around her, and to help better the lives of anyone she met. She truly worked so hard to help whenever she could and deeply impacted so many people's lives. But the best role she played was as the most amazing matriarch. She is missed so much by her family and community.
